Dear Sir,

I write to you upon request of Mr José Ramos Horta, regarding arrangements made for a transfer of funds to Australia destined to Commander Xanana Gusmão.

Having been asked by Mrs Emilia Gusmão for assistance, I consented to open a bank account in my name on behalf of CNRM. This will be used exclusively for CNRM funds, to be utilised as directed by CNRM's Special Representative Overseas, Mr José Ramos Horta, following Commander Xanana's instructions.

Please note the following in relation to this account:

Name : Juan Federer- Trust Account for CNRM
Bank : Westpac Banking Corporation
Branch : Westpac Centre, Darwin NT Australia
Branch number: 735309
Account number: 596444
Signatories: Juan Federer and Emilia Gusmão
(further names could be added if desired)

I would also like to ask you the following in relation to this matter:

1. **Please provide me with a document stating that these funds are a donation from your organisation to CNRM for humanitarian use in East Timor.** This is essential so as to avoid the Australian Taxation Department charging me taxes on this money on the assumption that it is personal property.

2. **Please do not mention my name in public** in relation to this matter. Mr Ramos Horta can explain why.

I thank you for you cooperation. Should there be further questions you may telephone me at +61.89.855622 or +61.89.466764. If you need to fax, use the above number, but please write in Portuguese.

Sincerely,

Juan Federer
